Description of CPNI Policies and Procedures

DiscoveryTel provides wholesale, international transport services. DiscoveryTel maintains the security of CPNI. The company has security measures in place to protect this data from external attacks to its website and improper verbal requests for data via personal contacts with DiscoveryTel's customer care. The current DiscoveryTel web portal does not allow customers to view traffic data. Should the web portal allow customers to view traffic data in the future, the web portal will employ login/password security and use encryption to ensure the security of this information. The company has procedures in place that allow only carriers of record to obtain specific call detail information. The company's employees have been trained in the proper use of CPNI, and the company will enforce strict disciplinary measures for employees that misuse or mishandle CPNI.
